### 参考答案

1. The **tower** is made of steel and glass, which makes it look modern.
2. The **town** is **connected** to the city by a tunnel that goes through the mountains.
3. The doctor explained the **treatment** plan clearly to the patient and his family.
4. The garbage **truck** made a loud **noise** as it passed through the narrow street.
5. The girl wasn't sure whether the **unfamiliar** voice on the phone was her friend or a stranger.
