第四季

参考答案

1. It is **necessary** to learn to **communicate** with others politely if we want to get along well with people.
2. **Neither** just thinking without action nor giving up easily will lead us to find a bright future.
3. It's completely **normal** for teenagers to have worries and stress during their busy school life.
4. Your true value has **nothing** to do with how others look at you, but depends on what kind of person you choose to be.
5. Many readers are looking forward to his new book because he is going to **publish** a **novel** (which is) based on his own unusual experiences.
